MODEL 40100

DOORMINATOR™ USA

DOOR HANDLER

The DOORMINATOR® Door Handler Model 40100 hold doors up to 400lbs. It works with doors from 3 - 4 feet wide and up to 10 feet high. It is used for installing the door, by holding it securely and allowing to get it into position and apply the hinges. It will work with solid hinged doors, glass doors, and doors with crash bars and handles installed. Handle up to a 2 inch wide door.

Folds and stores easily for transportation and loads effortlessly into the back of a truck or van.
